

Presentation will be judged against the following criteria:

JUDGING CRITERIA

1

Structure of the presentation and clarity of explanation and argument

Standard of presentation

2

3

Personal enthusiasm for the subject

Ability to deliver presentation spontaneously

4

5

Technical content of the presentation

Clarity and relevance of any visual aids used

6

7

Ability to deliver a concise and meaningful summary at the end of presentation

Ability to present within the specified time allocated

8

9

Ability to handle judges' questions

INTRODUCTION

Materials Lecture Competition (MLC) is a National event mainly organized by Institute of Materials, Malaysia (IMM) and Institute of Materials, Minerals and Mining (IOM3) UK. This nation-wide competition is an initiative intended to enhance awareness among young Materials Scientists and Engineers in Malaysia on the importance of Materials Engineering and sustainability in the advancement of technology and humankind.

For MLC 2020, Universiti Putra Malaysia (UPM) has been given the honour by IMM to host the competition alongside with IMM and IOM3. We look forward to welcome all participants for the Semi Final and Final Competition that will be held in UPM, Serdang, Selangor.

RULES AND ELIGIBILITY

The Materials Lecture Competition 2020 (MLC 2020) is open to any profession or students in Malaysia (except academic staff). They must not be over 28 years old on the 1 July 2020. Participant must deliver a 15-minutes presentation on a topic related to Materials or Minerals Science and Engineering. The topic may cover on the participant's current research work or project from the following areas of interest (but not limited to) Materials Development, Characterization, Processing and Applications, Minerals and Geologically related disciplines.

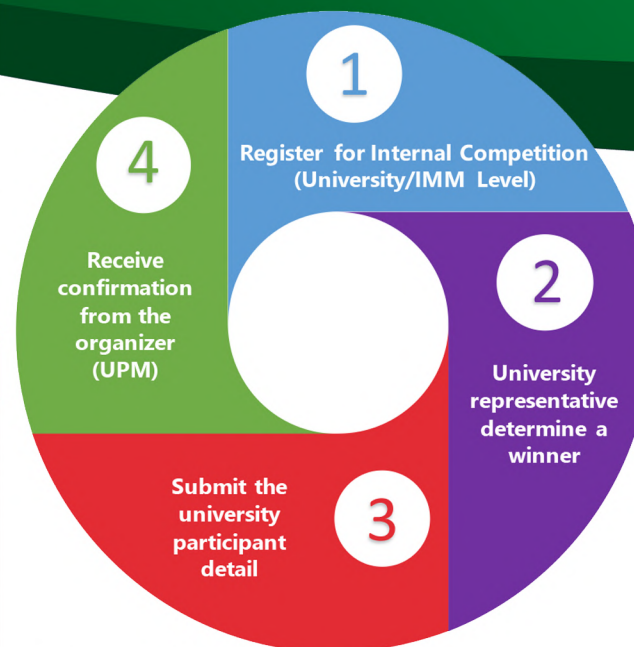

Confirmation

Once the submission has been processed and successful, an e-mail confirmation will be sent to the respective university representative/IMM.

Detail Submission

University representative/IMM is responsible to submit the participant detail via online form together with the name, a copy of IC (Malaysian Participant) or Passport (International Participant), phone number, e-mail address and an abstract of a maximum of 150 words.

SUBMISSION PROCEDURE

*online google form will be available in February 2020 .

Internal Competition

University student participant shall attend the internal competition organized by their respective university to select only one (1) student to participate in the Semi Final of the MLC 2020.

Participants from the industries shall attend the internal competition organized by IMM to select only one (1) participant to compete in the Semi Final of the MLC 2020.

Participant

University/IMM will select one (1) winner from their internal competition to compete in the Semi Final of the MLC 2020.

PRIZES

The winners of MLC 2020 will also receive a certificate and a plaque. The Champion of MLC 2020 will represent Malaysia to attend and compete in the Young Persons' World Lecture Competition 2020 (YPWLC 2020) which will be held in Hong Kong organized by IOM3.

IMPORTANT DATES
