2nd IMM International Materials Symposium cum 4th Regional Materials Conference & Exhibition

CALL FOR PAPERS

THEME : MATERIALS TECHNOLOGIES FOR ASSET SUSTAINABILITY

Many assets in oil & gas facilities, power stations, ports & harbours, water treatment plants, commercial buildings, bridges & highways, chemical plants, and defence facilities throughout the world face operations and maintenance challenges due to design and construction deficiencies. These deficiencies include improper materials design, inadequate materials selection knowledge, insufficient materials trade-skills. This symposium cum conference covers research, development, and applications of materials technologies to assure performance and durability of assets.

Seize this opportunity to share your contributions on the Materials research and development with the Malaysia Materials Scientific Fraternity in this International Materials Symposium and Conference which is dedicated to Materials Science and Engineering.

Date	: 12th September 2013, Thursday
Venue	: Eastwood Valley Golf & Country Club, Miri
Time	: 8:30am to 5:00pm
Subject Coverage	: Materials & Corrosion Engineering, Welding Technology, and Inspection Techniques

Oral Presentation : 20 Papers
Fee per participant : RM 200.00
Fee for Exhibitors : RM 1,000.00
**Fee Waiver for HDR & Final Year Students
